French Embassy to the United States

Guadeloupe is one of four territories that comprise the French West Indies. The Embassy of France is located on 4101 Reservoir Road, N.W. Washington DC 20007
Tel: (202) 944 6000, info@ambaFrance-us.org

<http://ambaFrance-us.org>

United States Embassy to France

The U.S. Embassy in Bridgetown, Barbados has consular responsibility over the island of Guadalupe.

<http://barbados.usembassy.gov/index.html>

Flight Information

The accuracy and currency of information contained in this guide is uncertain due to the difficulty in obtaining the information and the rapidly changing environment. Aviators should always check with a country's aviation authority or a local aviation handler to determine any specific aircraft airworthiness/equipment and crew/passenger entry requirements.

Airports of Entry

TFFR	Pointe A Pitre Le Raizet
TFFC	Saint Francois

*Note: Saint Francois requires 24 hours prior notice to Customs: Tele. 0590 89 59 08
Fax 0590 90 26 07*

Entry/Exit Requirements

Entry and exit requirements are for aircraft departing the United States non-stop to country of destination. These requirements do not include any technical stops. Please refer to **Technical Stop** section in **Additional Information** for the country at which the technical stop will be made.

Entry and Exit documentation forms vary from country to country. In general, however, ICAO member countries will accept the following standard ICAO Annex 9 Entry/Exit documents:

- General Declaration
- Passenger Manifest
- Cargo Manifest
- Embarkation/Disembarkation Card
- Certificate of Residual Disinsection

Examples of these documents can be found at [/FIM Home>General Information>International Flying Overview> ICAO Annex 9 Entry/Exit Documents](#). The acceptance of these ICAO documents must be confirmed by the appropriate AIS.

Entry Requirements (Departing U.S.)

- File an [eAPIS](#) manifest outbound
- File and activate international flight plan
- Land at an AOE

The following entry documents are required:

Passengers -

- Valid passport
- [Visa](#) for stays longer than 3 months

Pilots - Same as passengers

Note: Other pilot/crewmember requirements may be applicable in lieu of those stated. Contact appropriate AIS for further clarification prior to flight.

Aircraft –

- Valid airworthiness certificate
- Aircraft registration certificate
- Licenses and qualifications of crew
- Specific operating instructions for the equipment, especially those relating to rescue operations
- Aircraft log book
- Flight manual
- Copy of Flight Plan
- Applicable navigation charts
- Three copies of the General Declaration

Exit Requirements (Departing Guadeloupe)

- Same documents as required for Entry (see *Aircraft-* above)
- File [eAPIS](#) manifest if inbound to the U.S.
- File an international flight plan
- Call U.S. Customs at filed U.S. airport of entry
- Depart from an AOE

Additional Flight Information

Aircraft Instruments and Equipment

U.S. airworthiness and certification requirements may not meet other country requirements. It is the responsibility of the pilot to determine if the aircraft meets those requirements.

The items listed below are for the pilot's reference to determine if the aircraft meets the minimum instrument and equipment requirements, of the destination country. Additional equipment may be required to comply with the airspace navigation requirements.

- 1) Two way VHF radio
- 2) Mode C transponder
- 3) Navigation equipment appropriate to the route flown
- 4) DME for IFR flight
- 5) ACAS for large and/or turbine powered
- 6) Life jacket for each occupant
- 7) If 100nm from coast for single engine or 200 nm for multi-engine, the following equipment is required: A floatable, watertight emergency beacon, Lifeboats to accommodate all aboard. Each lifeboat must include:
 - Standard large size signaling mirror
 - Two red parachute flares
 - Electric lamp which operates on contact with the water, or
 - A watertight electric lamp
 - One litre of fresh water per person
 - At least 300 grams of fluorocene in waterproof container

Technical Stop/ Overflight

There are no restrictions to any technical stop or overflight for U.S. aircraft.

Non-scheduled Flights (Charters)

A preliminary clearance request must be made to the following:

Civil Aviation Authority (DGCA)
 Direction du Transport Aerien (DTA)
 Bureau des Services Internationaux (SDT1)
 50, rue Henry Farman
 75720 PARIS CEDEX 15 - France

Tele: 01 58 09 36 38/39 62

Fax: 01 58 09 38 65

The request should be received ten days before the date of the flight or one month before the date for a series of flights. The request should be made on Form B (Appendix II) as found in the French Antilles AIP, page Gen 1.2-3

Private Flights

Information mentioned in the flight plan is usually accepted as an arrival notice by the French authorities.

Float Planes

All seaplanes or amphibious aircraft used as seaplanes must be equipped with:

- An anchor
- A life jacket or an equivalent individual device for each person on board, easily accessible
- A sea anchor, if one is necessary to assist in maneuvering

Light Sport Aircraft

The IFIM staff is not aware of any requirements for LSA aircraft in Guadeloupe

Fees

There are varying fees for landing, parking, passengers, fueling, taxes, air navigation and other services. Contact the following for details:

Direction de la Régulation Economique
Sous-direction des aéroports
Direction Générale de l'Aviation Civile
50, rue Henry Farman
75720 Paris Cedex 15
France

Tele: 01 58 09 43 21
Fax: 01 58 09 41 42

Fuel

TFFR - Jet A1 and Avgas 100LL is available at Pointe a Pitre, Le Raizet airport
TFFC - Refueling is not available at Saint Francois airport.

Night VFR

TFFR - Flying VFR between sunset and sunrise requires prior permission
TFFC - Flying VFR between sunset and sunrise is prohibited at Saint Francois.

Island Hopping

Each Island in the Caribbean may be its own sovereign nation. Please refer to specific country information prior to flying to other islands within the Caribbean.

Aeronautical Charts

Some Caribbean Aeronautical charts are available from the FAA's AeroNav Products, http://www.faa.gov/air_traffic/flight_info/aeronav/. Additional navigation charts are available from the on-line AIP (see Links) or contact:

Direction Des Services De La Navigation Aerienne
50, rue Henry Farman
75720 Paris Cedex 15

Tele: 01 58 09 43 21
Fax: 01 58 09 41 07

AFS: L F P S Y A Y S

U.S. Prohibitions, Restrictions and Notices

U.S. Prohibitions, Restrictions and Notices may be found on the IFIM main page under General Information. Click [HERE](#) to open.

Country Specific Travel Information

Public Health Requirements

Aircraft – The IFIM staff is not aware of any health requirements for the aircraft.

Please refer to the DOT website below for any current requirements.

DOT: [Aircraft Disinsection Requirements](#)

Passengers – Yellow fever vaccination is required for travelers arriving from an area declared as contaminated by yellow fever in the WHO epidemiological report. The vaccination should be less than 10 years and more than 10 days.

Please refer to the Center for Disease Control and the World Health Organization websites below for any current requirements.

CDC: <http://wwwnc.cdc.gov/travel/destinations/guadeloupe.htm>

<http://wwwnc.cdc.gov/travel/content/vaccinations.aspx>

WHO: <http://www.who.int/en/>

Public Holidays

The following public holidays are observed in the French Antilles, including Guadelope:
